Quantec-Pro Tri-Colour Addressable Overdoor Light c/w Sounder
Part No. QP906A

Overview

- An addressable tri-colour overdoor light & sounder designed to increase call indication levels in Quantec-Pro sites.
- Can be programmed to illuminate and sound when certain groups of call points are calling.
- Ideal for providing area indication or 'follow me' lights at the ends of corridors, etc
- Flash and sounder rates change/intensify to reflect the urgency of incoming calls.
- Adjustable volume control.
- Tri-colour LEDs and triangular diffuser make it highly visible from a distance.
- Mounts on a standard UK 25mm single gang flush or surface back box.
- Finished in tough, durable ABS plastic.

More Information

Technical Specifications
